Thanks to all our sponsors for supporting TWRFC this season...

Welcome to TWRFC...from your Chairman

Today we welcome Westcombe Park to St Marks for our 7th game of the Season. This is probably the closest we'll get to a local derby and it's great to see old rivals back at our Club again. Over the years we have crossed paths many times and I believe that the last time we played against each other was about 15 years or so ago.

We have had a good start to the Season having played 6 games, won 3 and lost 3, snatching our first away win by one point against Sutton & Epsom in a very tight game a couple of weeks ago, with our game improving week on week. The whole squad is working very hard behind the scenes and the improvements are showing, highlighted in particular with our 2's winning last weekend comfortably up at Old Dartfordians.

We currently sit 8th in the league with Westcombe Park in 11th and only 4 points between us. This is obviously going to be a very tight league where bonus points will have a deciding factor at the end of the Season. Each game will be very competitive and I have no doubt that this afternoon will be no different.

We are also hosting our first Vice President's lunch today at the Club. I hope to see more and more of you all as the Season progresses and I have no doubt that this will be the first of many being held at the Clubhouse. A big thank you to Alan, Kathy, Michelle and Steve for organising and of course a big thank you to our caterers Julia & Sarah for their continuing provision of great food.

Elsewhere in the Club our two's are visiting Tonbridge Judians 3's in a rearranged match, following on from their great win last week at Old Dartfordians. We wish Jim, Mav and the boys well this afternoon. Our 3's are at home to Ashford 2's and our 4's are away at Swanley 1's. Best of luck to all those involved.

A big thank you again goes to Fran Colangelo who continues to support us by producing our match day programmes. Also Fran has now produced this Season's Club handbooks which are now readily available and you can collect yours from Michelle Greenall. Fran you are a legend!

Finally, it takes a lot of time and effort to run our Club and I would like to take this opportunity in thanking everyone involved who helps make our Club so great! COYW

The Ballboy Part 4

Hello fans of the oval ball!

So a great week for me, still buzzing from getting my new balls an airing. Nice to meet the Towcetrians RFC. Clearly I spent more time with them behind their posts, than I did with the boys from the Wells!

I didn't make it up to the Sutton and Epsom RFC nail biter last week. I did however speak to some of the fan's upon return in the bar whilst supping my (non -alcoholic) Campari and Soda, hint of fresh lime, topped up with Michelle's secret stash of home made hooch (shhh... don't tell anyone!), and they said their ball boy couldn't catch a cold, so happy with that!

Apparently Lord Jimmy Hendly was there, dressed up like a clown (I think it was TJ's kit...Ed), and later on he got naked. Apparently there was nothing to see.

So this week, pleased to be meeting the Westcombe Parklife lads, and rotating my balls frequently throughout the match. I hope Max 'With my 70's style lamb chops' Douche scores a try again, but mostly looking forward to a hard fought forwards battle - cos they really are the real men in the side. Not sure about Docco's new girlfriend though!

Still no one has stepped forward to sponsor me, so please think how hard it will be to run about holding a pint and one of Al's pasties grabbing the balls? Again speak to Webby if you're feeling flush. I just need STASH!!!

Good luck to all today and Lord Hendly may your rhubarb never refuse to rise!

Balls to you all!

Our Fave Parks!

This week's special feature is on 'Parks' in honour of our visitors - Westcombe Park. Thanks to the guest writer and Japanese F1 Racing driver, Ivor Sparkplug-kawabanda, here are his top 5 favourite 'Parks'

In at number 5, is my all time top Cockney gent - 'Parker from Thunderbirds. 'es definitely a bit of a lad, loves getting out and about in 'is pink Roller. And partial to a bit of posh - no photos of them available at the time of goin' to print, so right, a picky of our esteemed 'Treasurer' Don Baily and Club Secretary Michelle Greenhole on holiday in Bognor. 'Don, I hope you've chilled my breakfast Nebuchadnezzar of prosecco? 'Yes M'lady!

At 4 - my favourite 'Park' song by Blur - Park Life. 'John's got brewer's droop he gets intimidated by the dirty pigeons, they love a bit of him - 'Parklife!' Who's that gut lord marching, you should cut down on your porklife mate, get some exercise...All the People, so many people, they all go hand-in-hand. Hand-in-hand through their parklife." Know what I mean?

Taking the number 3 spot, Kim John Un, seen here 'park'ed in his bedroom. He's made a Korea out of making these luxury car-beds. Apparently they go like a rocket - man! Lights out and he's S-park-o!

And in second place, Park'our. My all time fave exercise! Sally Miles loves leaping over the bar at full time to get hold of Alan's foaming nectar, not sure, Docca's new girlfriend is too happy about Mito's Mrs, putting her feet on the railings!

Straight 'up there' at number 1 is the Park'er worn by Jimmy from Quadrophonia, when he was helping Lesley Ash, who had a sore ankle, by giving her a 'leg up' via the reverse piggy back method - 'Watch the cloth moth! 'No need to shout, trout pout!

Why The £5.00 Entrance Fee?

Dear Supporter,

Welcome to the new season and TWRFC in the London and South East Premier Division, previously known as London & SE National 3.

The new league brings a host of opportunities and challenges to the club, not least the increased costs of running and maintaining a bigger squad, coaches, support staff and the facilities that you enjoy as a supporter.

To help continue the club development and cover some of the costs of production and maintenance we are charging supporters £5 entrance fee, which includes your matchday programme full of useful updates and team news, a guaranteed VIP view of the match and we will be running a half time draw at most home games with a variety of prizes so listen out for the winning number - you could be a winner.

The £5 charge is per adult, so please bring your children (U18's) who will continue to be able to watch our fantastic games free of charge as we are very much a community club with youth integral to our future development.

We want to hear from you as well, so we will be running a 'supporters view' page in future issues - your chance to have your say on anything rugby (or not) with the best published on the web site and social media - email franciolangelo@me.com

Finally, if you want real value for money, why not join us for one of our pre-match lunches. Just £20 gets you a sumptuous meal, fantastic company, some great speakers (and jokes), programme and VIP place by the pitch.

We hope you enjoy the season, bring along your friends and COYW!

Good afternoon everyone.

Captains Corner

Hopefully you are all looking forward to today's match after a rest week, we certainly are!

We come back to St. Marks off the back of a great win against Sutton and Epsom away from home. We needed a win on the road and to win in the fashion we did, with 14 men for the last 15 minutes showed a lot about this team, typified by Tommy Collins stepping up to the mark and playing 70 minutes. Our defence won us that game and a special mention must go to our Kiwi, 'Bam Bam' who chopped all game as well as a game changing hit in the 2nd half. We can't talk about the game without mentioning the travelling support we received, the boys really appreciate it. Special mention to the Jim Mendley stag group. A great effort from all of you after a long week and to see Jim in a TJ's playing kit in the bar after the game was a truly sickening sight, well played lads.

The game moved us to 8th in the league on 17 points, 3 places above our visitors this afternoon Westcombe Park. This game is as close to a local derby as we will have this year which already adds to the excitement of the game. Westcombe park are veterans in this league and we know we will have to be on the top of our game to beat them.

Last week whilst the 1st XV were enjoying a week off, the 2nd XV beat Old Dartfordians 34-7. It's one of the best 2nd XV sides I've seen out at Tunbridge Wells in my time and hopefully the success will carry on under Jim and Mav. I hope everyone enjoys the game and please feel free to hang around afterwards for a TWRFC Poker Night social.

Enjoy the game. COYW

Peter "Pricey" Price
10th Nov 1953 - 26th Sept 2017

On Tuesday family and friends celebrated the life of Peter Price who sadly lost his battle with cancer last month. He would have loved to have been here today to see his 2 "clubs" pitch battle with each other.

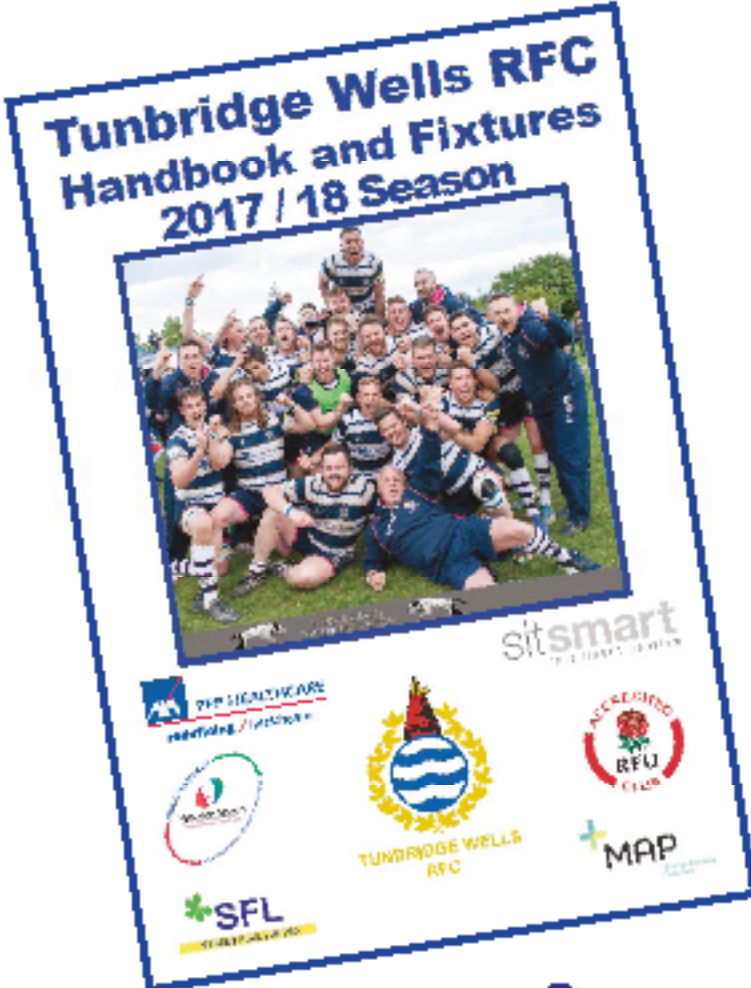

Lets hope the game and support for both sides does him proud as he watches from above!

The service on Tuesday was an amazing emotional tribute to the great man and the crematorium was full to the rafters as was our clubhouse afterwards. Tributes were spoken and songs were sung late into the afternoon.

He certainly looked on the bright side of life and our lives were definately brighter for knowing him! RIP Peter we will miss you x

Thanks to all our sponsors for supporting TWRFC this season...

Welcome to TWRFC...from your Chairman

Today we welcome Westcombe Park to St Marks for our 7th game of the Season. This is probably the closest we'll get to a local derby and it's great to see old rivals back at our Club again. Over the years we have crossed paths many times and I believe that the last time we played against each other was about 15 years or so ago.

We have had a good start to the Season having played 6 games, won 3 and lost 3, snatching our first away win by one point against Sutton & Epsom in a very tight game a couple of weeks ago, with our game improving week on week. The whole squad is working very hard behind the scenes and the improvements are showing, highlighted in particular with our 2's winning last weekend comfortably up at Old Dartfordians.

We currently sit 8th in the league with Westcombe Park in 11th and only 4 points between us. This is obviously going to be a very tight league where bonus points will have a deciding factor at the end of the Season. Each game will be very competitive and I have no doubt that this afternoon will be no different.

We are also hosting our first Vice President's lunch today at the Club. I hope to see more and more of you all as the Season progresses and I have no doubt that this will be the first of many being held at the Clubhouse. A big thank you to Alan, Kathy, Michelle and Steve for organising and of course a big thank you to our caterers Julia & Sarah for their continuing provision of great food.

Elsewhere in the Club our two's are visiting Tonbridge Judians 3's in a rearranged match, following on from their great win last week at Old Dartfordians. We wish Jim, Mav and the boys well this afternoon. Our 3's are at home to Ashford 2's and our 4's are away at Swanley 1's. Best of luck to all those involved.

A big thank you again goes to Fran Colangelo who continues to support us by producing our match day programmes. Also Fran has now produced this Season's Club handbooks which are now readily available and you can collect yours from Michelle Greenall. Fran you are a legend!

Finally, it takes a lot of time and effort to run our Club and I would like to take this opportunity in thanking everyone involved who helps make our Club so great! COYW

The Ballboy Part 4

Hello fans of the oval ball!

So a great week for me, still buzzing from getting my new balls an airing. Nice to meet the Towcetrians RFC. Clearly I spent more time with them behind their posts, than I did with the boys from the Wells!

I didn't make it up to the Sutton and Epsom RFC nail biter last week. I did however speak to some of the fan's upon return in the bar whilst supping my (non -alcoholic) Campari and Soda, hint of fresh lime, topped up with Michelle's secret stash of home made hooch (shhh... don't tell anyone!), and they said their ball boy couldn't catch a cold, so happy with that!

Apparently Lord Jimmy Hendly was there, dressed up like a clown (I think it was TJ's kit...Ed), and later on he got naked. Apparently there was nothing to see.

So this week, pleased to be meeting the Westcombe Parklife lads, and rotating my balls frequently throughout the match. I hope Max 'With my 70's style lamb chops' Douche scores a try again, but mostly looking forward to a hard fought forwards battle - cos they really are the real men in the side. Not sure about Docco's new girlfriend though!

Still no one has stepped forward to sponsor me, so please think how hard it will be to run about holding a pint and one of Al's pasties grabbing the balls? Again speak to Webby if you're feeling flush. I just need STASH!!!

Good luck to all today and Lord Hendly may your rhubarb never refuse to rise!

Balls to you all!

Our Fave Parks!

This week's special feature is on 'Parks' in honour of our visitors - Westcombe Park. Thanks to the guest writer and Japanese F1 Racing driver, Ivor Sparkplug-kawabanda, here are his top 5 favourite 'Parks'

In at number 5, is my all time top Cockney gent - 'Parker' from Thunderbirds. 'es definitely a bit of a lad, loves getting out and about in 'is pink Roller. And partial to a bit of posh - no photos of them available at the time of goin' to print, so right, a picky of our esteemed 'Treasurer' Don Baily and Club Secretary Michelle Greenhole on holiday in Bognor. 'Don, I hope you've chilled my breakfast Nebuchadnezzar of prosecco? 'Yes M'lady!

At 4 - my favourite 'Park' song by Blur - Park Life. 'John's got brewer's droop he gets intimidated by the dirty pigeons, they love a bit of him - 'Parklife!' Who's that gut lord marching, you should cut down on your porklife mate, get some exercise...All the People, so many people, they all go hand-in-hand. Hand-in-hand through their parklife." Know what I mean?

Taking the number 3 spot, Kim John Un, seen here 'park'ed in his bedroom. He's made a Korea out of making these luxury car-beds. Apparently they go like a rocket - man! Lights out and he's S-park-o!

And in second place, Park'our. My all time fave exercise! Sally Miles loves leaping over the bar at full time to get hold of Alan's foaming nectar, not sure, Docca's new girlfriend is too happy about Mito's Mrs, putting her feet on the railings!

Straight 'up there' at number 1 is the Park'er worn by Jimmy from Quadrophonia, when he was helping Lesley Ash, who had a sore ankle, by giving her a 'leg up' via the reverse piggy back method - 'Watch the cloth moth! 'No need to shout, trout pout!'

Our Fave Parks!

This week's special feature is on 'Parks' in honour of our visitors - Westcombe Park. Thanks to the guest writer and Japanese F1 Racing driver, Ivor Sparkplug-kawabanda, here are his top 5 favourite 'Parks'

In at number 5, is my all time top Cockney gent - 'Parker' from Thunderbirds. 'es definitely a bit of a lad, loves getting out and about in 'is pink Roller. And partial to a bit of posh - no photos of them available at the time of goin' to print, so right, a picky of our esteemed 'Treasurer' Don Baily and Club Secretary Michelle Greenhole on holiday in Bognor. 'Don, I hope you've chilled my breakfast Nebuchadnezzar of prosecco? 'Yes M'lady!

At 4 - my favourite 'Park' song by Blur - Park Life. 'John's got brewer's droop he gets intimidated by the dirty pigeons, they love a bit of him - 'Parklife!' Who's that gut lord marching, you should cut down on your porklife mate, get some exercise...All the People, so many people, they all go hand-in-hand. Hand-in-hand through their parklife." Know what I mean?

Taking the number 3 spot, Kim John Un, seen here 'park'ed in his bedroom. He's made a Korea out of making these luxury car-beds. Apparently they go like a rocket - man! Lights out and he's S-park-o!

And in second place, Park'our. My all time fave exercise! Sally Miles loves leaping over the bar at full time to get hold of Alan's foaming nectar, not sure, Docca's new girlfriend is too happy about Mito's Mrs, putting her feet on the railings!

Straight 'up there' at number 1 is the Park'er worn by Jimmy from Quadrophonia, when he was helping Lesley Ash, who had a sore ankle, by giving her a 'leg up' via the reverse piggy back method - 'Watch the cloth moth! 'No need to shout, trout pout!'

Why The £5.00 Entrance Fee?

Dear Supporter,

Welcome to the new season and TWRFC in the London and South East Premier Division, previously known as London & SE National 3.

The new league brings a host of opportunities and challenges to the club, not least the increased costs of running and maintaining a bigger squad, coaches, support staff and the facilities that you enjoy as a supporter.

To help continue the club development and cover some of the costs of production and maintenance we are charging supporters £5 entrance fee, which includes your matchday programme full of useful updates and team news, a guaranteed VIP view of the match and we will be running a half time draw at most home games with a variety of prizes so listen out for the winning number - you could be a winner.

The £5 charge is per adult, so please bring your children (U18's) who will continue to be able to watch our fantastic games free of charge as we are very much a community club with youth integral to our future development.

We want to hear from you as well, so we will be running a 'supporters view' page in future issues - your chance to have your say on anything rugby (or not) with the best published on the web site and social media - email franciolangelo@me.com

Finally, if you want real value for money, why not join us for one of our pre-match lunches. Just £20 gets you a sumptuous meal, fantastic company, some great speakers (and jokes), programme and VIP place by the pitch.

We hope you enjoy the season, bring along your friends and COYW!

Good afternoon everyone.

Captains Corner

Hopefully you are all looking forward to today's match after a rest week, we certainly are!

We come back to St. Marks off the back of a great win against Sutton and Epsom away from home. We needed a win on the road and to win in the fashion we did, with 14 men for the last 15 minutes showed a lot about this team, typified by Tommy Collins stepping up to the mark and playing 70 minutes. Our defence won us that game and a special mention must go to our Kiwi, 'Bam Bam' who chopped all game as well as a game changing hit in the 2nd half. We can't talk about the game without mentioning the travelling support we received, the boys really appreciate it. Special mention to the Jim Mendley stag group. A great effort from all of you after a long week and to see Jim in a TJ's playing kit in the bar after the game was a truly sickening sight, well played lads.

The game moved us to 8th in the league on 17 points, 3 places above our visitors this afternoon Westcombe Park. This game is as close to a local derby as we will have this year which already adds to the excitement of the game. Westcombe park are veterans in this league and we know we will have to be on the top of our game to beat them.

Last week whilst the 1st XV were enjoying a week off, the 2nd XV beat Old Dartfordians 34-7. It's one of the best 2nd XV sides I've seen out at Tunbridge Wells in my time and hopefully the success will carry on under Jim and Mav. I hope everyone enjoys the game and please feel free to hang around afterwards for a TWRFC Poker Night social.

Enjoy the game. COYW

Peter "Pricey" Price
10th Nov 1953 - 26th Sept 2017

On Tuesday family and friends celebrated the life of Peter Price who sadly lost his battle with cancer last month. He would have loved to have been here today to see his 2 "clubs" pitch battle with each other.

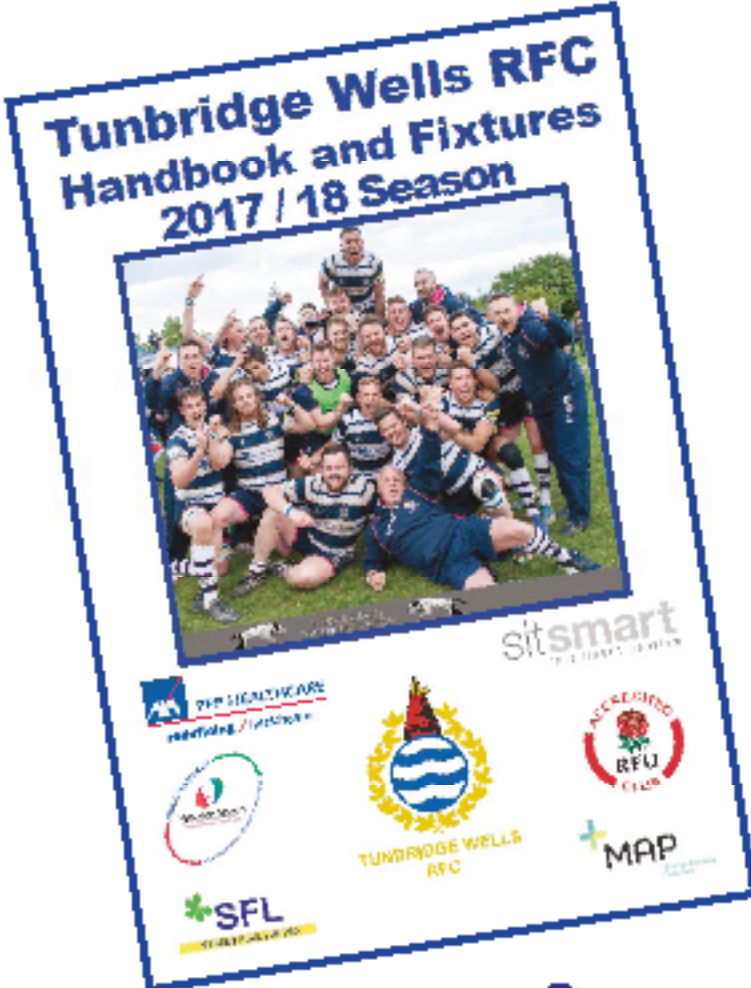

Lets hope the game and support for both sides does him proud as he watches from above!

The service on Tuesday was an amazing emotional tribute to the great man and the crematorium was full to the rafters as was our clubhouse afterwards. Tributes were spoken and songs were sung late into the afternoon.

He certainly looked on the bright side of life and our lives were definately brighter for knowing him! RIP Peter we will miss you x

Thanks to all our sponsors for supporting TWRFC this season...

Welcome to TWRFC...from your Chairman

Today we welcome Westcombe Park to St Marks for our 7th game of the Season. This is probably the closest we'll get to a local derby and it's great to see old rivals back at our Club again. Over the years we have crossed paths many times and I believe that the last time we played against each other was about 15 years or so ago.

We have had a good start to the Season having played 6 games, won 3 and lost 3, snatching our first away win by one point against Sutton & Epsom in a very tight game a couple of weeks ago, with our game improving week on week. The whole squad is working very hard behind the scenes and the improvements are showing, highlighted in particular with our 2's winning last weekend comfortably up at Old Dartfordians.

We currently sit 8th in the league with Westcombe Park in 11th and only 4 points between us. This is obviously going to be a very tight league where bonus points will have a deciding factor at the end of the Season. Each game will be very competitive and I have no doubt that this afternoon will be no different.

We are also hosting our first Vice President's lunch today at the Club. I hope to see more and more of you all as the Season progresses and I have no doubt that this will be the first of many being held at the Clubhouse. A big thank you to Alan, Kathy, Michelle and Steve for organising and of course a big thank you to our caterers Julia & Sarah for their continuing provision of great food.

Elsewhere in the Club our two's are visiting Tonbridge Judians 3's in a rearranged match, following on from their great win last week at Old Dartfordians. We wish Jim, Mav and the boys well this afternoon. Our 3's are at home to Ashford 2's and our 4's are away at Swanley 1's. Best of luck to all those involved.

A big thank you again goes to Fran Colangelo who continues to support us by producing our match day programmes. Also Fran has now produced this Season's Club handbooks which are now readily available and you can collect yours from Michelle Greenall. Fran you are a legend!

Finally, it takes a lot of time and effort to run our Club and I would like to take this opportunity in thanking everyone involved who helps make our Club so great! COYW

The Ballboy Part 4

Hello fans of the oval ball!

So a great week for me, still buzzing from getting my new balls an airing. Nice to meet the Towcetrians RFC. Clearly I spent more time with them behind their posts, than I did with the boys from the Wells!

I didn't make it up to the Sutton and Epsom RFC nail biter last week. I did however speak to some of the fan's upon return in the bar whilst supping my (non -alcoholic) Campari and Soda, hint of fresh lime, topped up with Michelle's secret stash of home made hooch (shhh... don't tell anyone!), and they said their ball boy couldn't catch a cold, so happy with that!

Apparently Lord Jimmy Hendly was there, dressed up like a clown (I think it was TJ's kit...Ed), and later on he got naked. Apparently there was nothing to see.

So this week, pleased to be meeting the Westcombe Parklife lads, and rotating my balls frequently throughout the match. I hope Max 'With my 70's style lamb chops' Douche scores a try again, but mostly looking forward to a hard fought forwards battle - cos they really are the real men in the side. Not sure about Docco's new girlfriend though!

Still no one has stepped forward to sponsor me, so please think how hard it will be to run about holding a pint and one of Al's pasties grabbing the balls? Again speak to Webby if you're feeling flush. I just need STASH!!!

Good luck to all today and Lord Hendly may your rhubarb never refuse to rise!

Balls to you all!

Our Fave Parks!

This week's special feature is on 'Parks' in honour of our visitors - Westcombe Park. Thanks to the guest writer and Japanese F1 Racing driver, Ivor Sparkplug-kawabanda, here are his top 5 favourite 'Parks'

In at number 5, is my all time top Cockney gent - 'Parker from Thunderbirds. 'es definitely a bit of a lad, loves getting out and about in 'is pink Roller. And partial to a bit of posh - no photos of them available at the time of goin' to print, so right, a picky of our esteemed 'Treasurer' Don Baily and Club Secretary Michelle Greenhole on holiday in Bognor. 'Don, I hope you've chilled my breakfast Nebuchadnezzar of prosecco? 'Yes M'lady!

At 4 - my favourite 'Park' song by Blur - Park Life. 'John's got brewer's droop he gets intimidated by the dirty pigeons, they love a bit of him - 'Parklife!' Who's that gut lord marching, you should cut down on your porklife mate, get some exercise... All the People, so many people, they all go hand-in-hand. Hand-in-hand through their parklife." Know what I mean?

Taking the number 3 spot, Kim John Un, seen here 'park'ed in his bedroom. He's made a Korea out of making these luxury car-beds. Apparently they go like a rocket - man! Lights out and he's S-park-o!

And in second place, Park'our. My all time fave exercise! Sally Miles loves leaping over the bar at full time to get hold of Alan's foaming nectar, not sure, Docca's new girlfriend is too happy about Mito's Mrs, putting her feet on the railings!

Straight 'up there' at number 1 is the Park'er worn by Jimmy from Quadrophonia, when he was helping Lesley Ash, who had a sore ankle, by giving her a 'leg up' via the reverse piggy back method - 'Watch the cloth moth! 'No need to shout, trout pout!

Why The £5.00 Entrance Fee?

Dear Supporter,

Welcome to the new season and TWRFC in the London and South East Premier Division, previously known as London & SE National 3.

The new league brings a host of opportunities and challenges to the club, not least the increased costs of running and maintaining a bigger squad, coaches, support staff and the facilities that you enjoy as a supporter.

To help continue the club development and cover some of the costs of production and maintenance we are charging supporters £5 entrance fee, which includes your matchday programme full of useful updates and team news, a guaranteed VIP view of the match and we will be running a half time draw at most home games with a variety of prizes so listen out for the winning number - you could be a winner.

The £5 charge is per adult, so please bring your children (U18's) who will continue to be able to watch our fantastic games free of charge as we are very much a community club with youth integral to our future development.

We want to hear from you as well, so we will be running a 'supporters view' page in future issues - your chance to have your say on anything rugby (or not) with the best published on the web site and social media - email franciolangelo@me.com

Finally, if you want real value for money, why not join us for one of our pre-match lunches. Just £20 gets you a sumptuous meal, fantastic company, some great speakers (and jokes), programme and VIP place by the pitch.

We hope you enjoy the season, bring along your friends and COYW!

Good afternoon everyone.

Captains Corner

Hopefully you are all looking forward to today's match after a rest week, we certainly are!

We come back to St. Marks off the back of a great win against Sutton and Epsom away from home. We needed a win on the road and to win in the fashion we did, with 14 men for the last 15 minutes showed a lot about this team, typified by Tommy Collins stepping up to the mark and playing 70 minutes. Our defence won us that game and a special mention must go to our Kiwi, 'Bam Bam' who chopped all game as well as a game changing hit in the 2nd half. We can't talk about the game without mentioning the travelling support we received, the boys really appreciate it. Special mention to the Jim Mendley stag group. A great effort from all of you after a long week and to see Jim in a TJ's playing kit in the bar after the game was a truly sickening sight, well played lads.

The game moved us to 8th in the league on 17 points, 3 places above our visitors this afternoon Westcombe Park. This game is as close to a local derby as we will have this year which already adds to the excitement of the game. Westcombe park are veterans in this league and we know we will have to be on the top of our game to beat them.

Last week whilst the 1st XV were enjoying a week off, the 2nd XV beat Old Dartfordians 34-7. It's one of the best 2nd XV sides I've seen out at Tunbridge Wells in my time and hopefully the success will carry on under Jim and Mav. I hope everyone enjoys the game and please feel free to hang around afterwards for a TWRFC Poker Night social.

Enjoy the game. COYW

Peter "Pricey" Price
10th Nov 1953 - 26th Sept 2017

On Tuesday family and friends celebrated the life of Peter Price who sadly lost his battle with cancer last month. He would have loved to have been here today to see his 2 "clubs" pitch battle with each other.

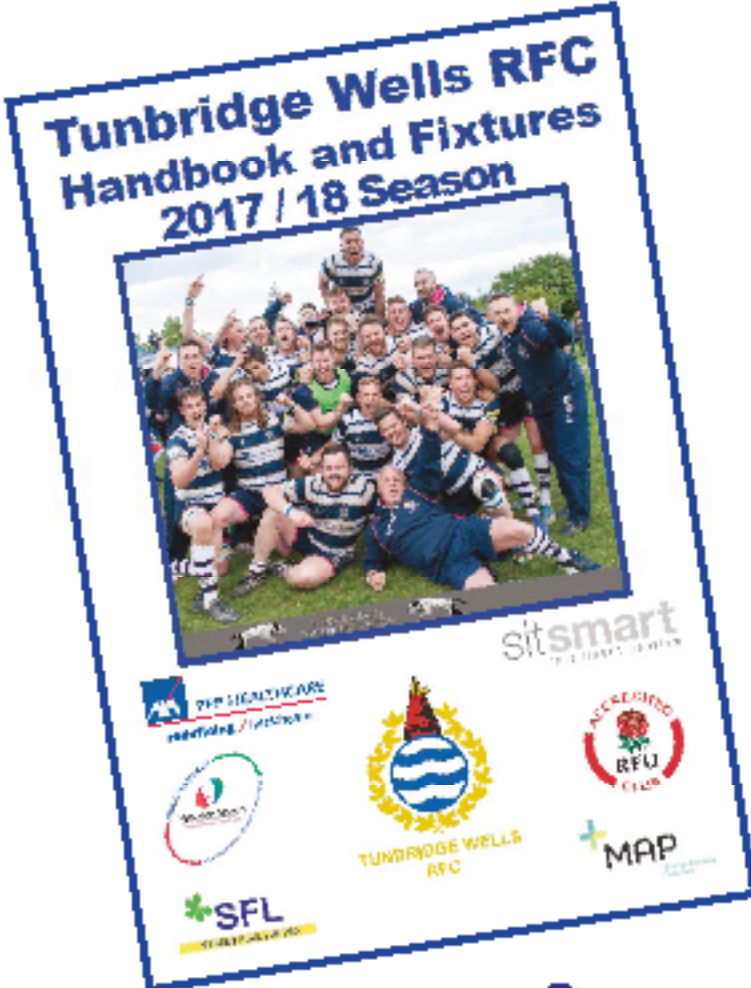

Lets hope the game and support for both sides does him proud as he watches from above!

The service on Tuesday was an amazing emotional tribute to the great man and the crematorium was full to the rafters as was our clubhouse afterwards. Tributes were spoken and songs were sung late into the afternoon.

He certainly looked on the bright side of life and our lives were definately brighter for knowing him! RIP Peter we will miss you x

Thanks to all our sponsors for supporting TWRFC this season...

Welcome to TWRFC...from your Chairman

Today we welcome Westcombe Park to St Marks for our 7th game of the Season. This is probably the closest we'll get to a local derby and it's great to see old rivals back at our Club again. Over the years we have crossed paths many times and I believe that the last time we played against each other was about 15 years or so ago.

We have had a good start to the Season having played 6 games, won 3 and lost 3, snatching our first away win by one point against Sutton & Epsom in a very tight game a couple of weeks ago, with our game improving week on week. The whole squad is working very hard behind the scenes and the improvements are showing, highlighted in particular with our 2's winning last weekend comfortably up at Old Dartfordians.

We currently sit 8th in the league with Westcombe Park in 11th and only 4 points between us. This is obviously going to be a very tight league where bonus points will have a deciding factor at the end of the Season. Each game will be very competitive and I have no doubt that this afternoon will be no different.

We are also hosting our first Vice President's lunch today at the Club. I hope to see more and more of you all as the Season progresses and I have no doubt that this will be the first of many being held at the Clubhouse. A big thank you to Alan, Kathy, Michelle and Steve for organising and of course a big thank you to our caterers Julia & Sarah for their continuing provision of great food.

Elsewhere in the Club our two's are visiting Tonbridge Judians 3's in a rearranged match, following on from their great win last week at Old Dartfordians. We wish Jim, Mav and the boys well this afternoon. Our 3's are at home to Ashford 2's and our 4's are away at Swanley 1's. Best of luck to all those involved.

A big thank you again goes to Fran Colangelo who continues to support us by producing our match day programmes. Also Fran has now produced this Season's Club handbooks which are now readily available and you can collect yours from Michelle Greenall. Fran you are a legend!

Finally, it takes a lot of time and effort to run our Club and I would like to take this opportunity in thanking everyone involved who helps make our Club so great! COYW

The Ballboy Part 4

Hello fans of the oval ball!

So a great week for me, still buzzing from getting my new balls an airing. Nice to meet the Towcetrians RFC. Clearly I spent more time with them behind their posts, than I did with the boys from the Wells!

I didn't make it up to the Sutton and Epsom RFC nail biter last week. I did however speak to some of the fan's upon return in the bar whilst supping my (non -alcoholic) Campari and Soda, hint of fresh lime, topped up with Michelle's secret stash of home made hooch (shhh... don't tell anyone!), and they said their ball boy couldn't catch a cold, so happy with that!

Apparently Lord Jimmy Hendly was there, dressed up like a clown (I think it was TJ's kit...Ed), and later on he got naked. Apparently there was nothing to see.

So this week, pleased to be meeting the Westcombe Parklife lads, and rotating my balls frequently throughout the match. I hope Max 'With my 70's style lamb chops' Douche scores a try again, but mostly looking forward to a hard fought forwards battle - cos they really are the real men in the side. Not sure about Docco's new girlfriend though!

Still no one has stepped forward to sponsor me, so please think how hard it will be to run about holding a pint and one of Al's pasties grabbing the balls? Again speak to Webby if you're feeling flush. I just need STASH!!!

Good luck to all today and Lord Hendly may your rhubarb never refuse to rise!

Balls to you all!

Our Fave Parks!

This week's special feature is on 'Parks' in honour of our visitors - Westcombe Park. Thanks to the guest writer and Japanese F1 Racing driver, Ivor Sparkplug-kawabanda, here are his top 5 favourite 'Parks'

In at number 5, is my all time top Cockney gent - 'Parker from Thunderbirds. 'es definitely a bit of a lad, loves getting out and about in 'is pink Roller. And partial to a bit of posh - no photos of them available at the time of goin' to print, so right, a picky of our esteemed 'Treasurer' Don Baily and Club Secretary Michelle Greenhole on holiday in Bognor. 'Don, I hope you've chilled my breakfast Nebuchadnezzar of prosecco? 'Yes M'lady!

At 4 - my favourite 'Park' song by Blur - Park Life. 'John's got brewer's droop he gets intimidated by the dirty pigeons, they love a bit of him - 'Parklife!' Who's that gut lord marching, you should cut down on your porklife mate, get some exercise...All the People, so many people, they all go hand-in-hand. Hand-in-hand through their parklife." Know what I mean?

Taking the number 3 spot, Kim John Un, seen here 'park'ed in his bedroom. He's made a Korea out of making these luxury car-beds. Apparently they go like a rocket - man! Lights out and he's S-park-o!

And in second place, Park'our. My all time fave exercise! Sally Miles loves leaping over the bar at full time to get hold of Alan's foaming nectar, not sure, Docca's new girlfriend is too happy about Mito's Mrs, putting her feet on the railings!

Straight 'up there' at number 1 is the Park'er worn by Jimmy from Quadrophonia, when he was helping Lesley Ash, who had a sore ankle, by giving her a 'leg up' via the reverse piggy back method - 'Watch the cloth moth! 'No need to shout, trout pout!

Why The £5.00 Entrance Fee?

Dear Supporter,

Welcome to the new season and TWRFC in the London and South East Premier Division, previously known as London & SE National 3.

The new league brings a host of opportunities and challenges to the club, not least the increased costs of running and maintaining a bigger squad, coaches, support staff and the facilities that you enjoy as a supporter.

To help continue the club development and cover some of the costs of production and maintenance we are charging supporters £5 entrance fee, which includes your matchday programme full of useful updates and team news, a guaranteed VIP view of the match and we will be running a half time draw at most home games with a variety of prizes so listen out for the winning number - you could be a winner.

The £5 charge is per adult, so please bring your children (U18's) who will continue to be able to watch our fantastic games free of charge as we are very much a community club with youth integral to our future development.

We want to hear from you as well, so we will be running a 'supporters view' page in future issues - your chance to have your say on anything rugby (or not) with the best published on the web site and social media - email franciolangelo@me.com

Finally, if you want real value for money, why not join us for one of our pre-match lunches. Just £20 gets you a sumptuous meal, fantastic company, some great speakers (and jokes), programme and VIP place by the pitch.

We hope you enjoy the season, bring along your friends and COYW!

Why The £5.00 Entrance Fee?

Dear Supporter,

Welcome to the new season and TWRFC in the London and South East Premier Division, previously known as London & SE National 3.

The new league brings a host of opportunities and challenges to the club, not least the increased costs of running and maintaining a bigger squad, coaches, support staff and the facilities that you enjoy as a supporter.

To help continue the club development and cover some of the costs of production and maintenance we are charging supporters £5 entrance fee, which includes your matchday programme full of useful updates and team news, a guaranteed VIP view of the match and we will be running a half time draw at most home games with a variety of prizes so listen out for the winning number - you could be a winner.

The £5 charge is per adult, so please bring your children (U18's) who will continue to be able to watch our fantastic games free of charge as we are very much a community club with youth integral to our future development.

The Mighty 4s in Pictures

Wells 4s got another match under their belt in a tough game at home to New Ash Green 2s, Wells boasted a side of huge experience but it wasn't enough to beat a young and energetic NAG side, going down 7-14.

Good afternoon everyone.

Captains Corner

Hopefully you are all looking forward to today's match after a rest week, we certainly are!

We come back to St. Marks off the back of a great win against Sutton and Epsom away from home. We needed a win on the road and to win in the fashion we did, with 14 men for the last 15 minutes showed a lot about this team, typified by Tommy Collins stepping up to the mark and playing 70 minutes. Our defence won us that game and a special mention must go to our Kiwi, 'Bam Bam' who chopped all game as well as a game changing hit in the 2nd half. We can't talk about the game without mentioning the travelling support we received, the boys really appreciate it. Special mention to the Jim Mendley stag group. A great effort from all of you after a long week and to see Jim in a TJ's playing kit in the bar after the game was a truly sickening sight, well played lads.

The game moved us to 8th in the league on 17 points, 3 places above our visitors this afternoon Westcombe Park. This game is as close to a local derby as we will have this year which already adds to the excitement of the game. Westcombe park are veterans in this league and we know we will have to be on the top of our game to beat them.

Last week whilst the 1st XV were enjoying a week off, the 2nd XV beat Old Dartfordians 34-7. It's one of the best 2nd XV sides I've seen out at Tunbridge Wells in my time and hopefully the success will carry on under Jim and Mav. I hope everyone enjoys the game and please feel free to hang around afterwards for a TWRFC Poker Night social.

Enjoy the game. COYW

Peter "Pricey" Price
10th Nov 1953 - 26th Sept 2017

On Tuesday family and friends celebrated the life of Peter Price who sadly lost his battle with cancer last month. He would have loved to have been here today to see his 2 "clubs" pitch battle with each other.

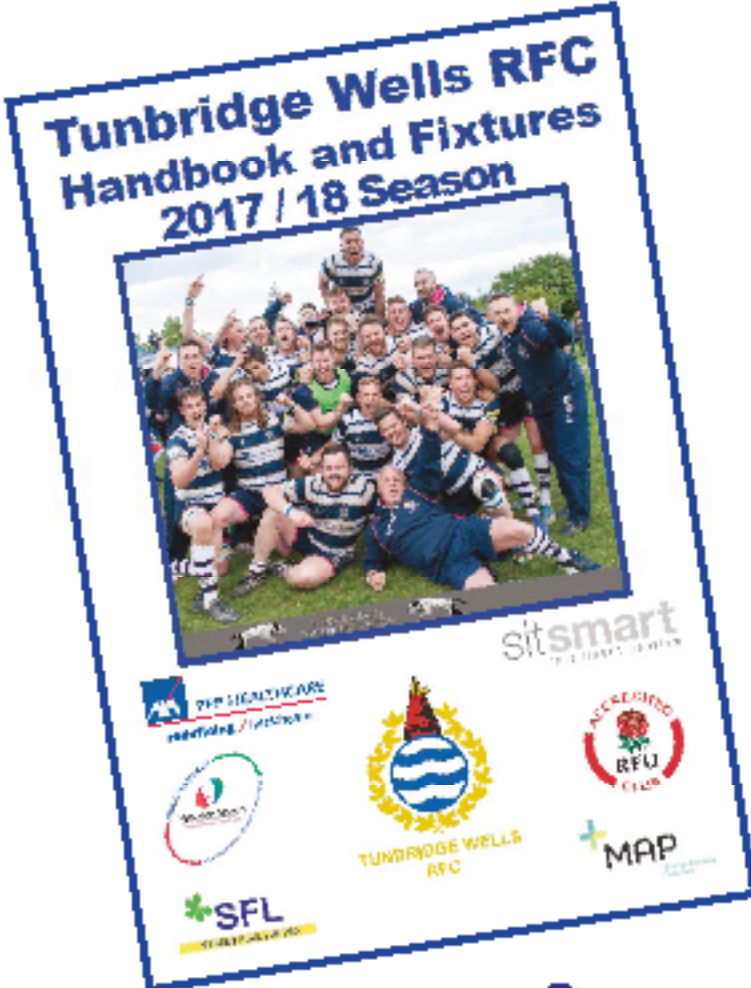

Lets hope the game and support for both sides does him proud as he watches from above!

The service on Tuesday was an amazing emotional tribute to the great man and the crematorium was full to the rafters as was our clubhouse afterwards. Tributes were spoken and songs were sung late into the afternoon.

He certainly looked on the bright side of life and our lives were definately brighter for knowing him! RIP Peter we will miss you x

Thanks to all our sponsors for supporting TWRFC this season...

Welcome to TWRFC...from your Chairman

Today we welcome Westcombe Park to St Marks for our 7th game of the Season. This is probably the closest we'll get to a local derby and it's great to see old rivals back at our Club again. Over the years we have crossed paths many times and I believe that the last time we played against each other was about 15 years or so ago.

We have had a good start to the Season having played 6 games, won 3 and lost 3, snatching our first away win by one point against Sutton & Epsom in a very tight game a couple of weeks ago, with our game improving week on week. The whole squad is working very hard behind the scenes and the improvements are showing, highlighted in particular with our 2's winning last weekend comfortably up at Old Dartfordians.

We currently sit 8th in the league with Westcombe Park in 11th and only 4 points between us. This is obviously going to be a very tight league where bonus points will have a deciding factor at the end of the Season. Each game will be very competitive and I have no doubt that this afternoon will be no different.

We are also hosting our first Vice President's lunch today at the Club. I hope to see more and more of you all as the Season progresses and I have no doubt that this will be the first of many being held at the Clubhouse. A big thank you to Alan, Kathy, Michelle and Steve for organising and of course a big thank you to our caterers Julia & Sarah for their continuing provision of great food.

Elsewhere in the Club our two's are visiting Tonbridge Judians 3's in a rearranged match, following on from their great win last week at Old Dartfordians. We wish Jim, Mav and the boys well this afternoon. Our 3's are at home to Ashford 2's and our 4's are away at Swanley 1's. Best of luck to all those involved.

A big thank you again goes to Fran Colangelo who continues to support us by producing our match day programmes. Also Fran has now produced this Season's Club handbooks which are now readily available and you can collect yours from Michelle Greenall. Fran you are a legend!

Finally, it takes a lot of time and effort to run our Club and I would like to take this opportunity in thanking everyone involved who helps make our Club so great! COYW

The Ballboy Part 4

Hello fans of the oval ball!

So a great week for me, still buzzing from getting my new balls an airing. Nice to meet the Towcetrians RFC. Clearly I spent more time with them behind their posts, than I did with the boys from the Wells!

I didn't make it up to the Sutton and Epsom RFC nail biter last week. I did however speak to some of the fan's upon return in the bar whilst supping my (non -alcoholic) Campari and Soda, hint of fresh lime, topped up with Michelle's secret stash of home made hooch (shhh... don't tell anyone!), and they said their ball boy couldn't catch a cold, so happy with that!

Apparently Lord Jimmy Hendly was there, dressed up like a clown (I think it was TJ's kit...Ed), and later on he got naked. Apparently there was nothing to see.

So this week, pleased to be meeting the Westcombe Parklife lads, and rotating my balls frequently throughout the match. I hope Max 'With my 70's style lamb chops' Douche scores a try again, but mostly looking forward to a hard fought forwards battle - cos they really are the real men in the side. Not sure about Docco's new girlfriend though!

Still no one has stepped forward to sponsor me, so please think how hard it will be to run about holding a pint and one of Al's pasties grabbing the balls? Again speak to Webby if you're feeling flush. I just need STASH!!!

Good luck to all today and Lord Hendly may your rhubarb never refuse to rise!

Balls to you all!

Our Fave Parks!

This week's special feature is on 'Parks' in honour of our visitors - Westcombe Park. Thanks to the guest writer and Japanese F1 Racing driver, Ivor Sparkplug-kawabanda, here are his top 5 favourite 'Parks'

In at number 5, is my all time top Cockney gent - 'Parker from Thunderbirds. 'es definitely a bit of a lad, loves getting out and about in 'is pink Roller. And partial to a bit of posh - no photos of them available at the time of goin' to print, so right, a picky of our esteemed 'Treasurer' Don Baily and Club Secretary Michelle Greenhole on holiday in Bognor. 'Don, I hope you've chilled my breakfast Nebuchadnezzar of prosecco? 'Yes M'lady!

At 4 - my favourite 'Park' song by Blur - Park Life. 'John's got brewer's droop he gets intimidated by the dirty pigeons, they love a bit of him - 'Parklife!' Who's that gut lord marching, you should cut down on your porklife mate, get some exercise...All the People, so many people, they all go hand-in-hand. Hand-in-hand through their parklife." Know what I mean?

Taking the number 3 spot, Kim John Un, seen here 'park'ed in his bedroom. He's made a Korea out of making these luxury car-beds. Apparently they go like a rocket - man! Lights out and he's S-park-o!

And in second place, Park'our. My all time fave exercise! Sally Miles loves leaping over the bar at full time to get hold of Alan's foaming nectar, not sure, Docca's new girlfriend is too happy about Mito's Mrs, putting her feet on the railings!

Straight 'up there' at number 1 is the Park'er worn by Jimmy from Quadrophonia, when he was helping Lesley Ash, who had a sore ankle, by giving her a 'leg up' via the reverse piggy back method - 'Watch the cloth moth! 'No need to shout, trout pout!

Why The £5.00 Entrance Fee?

Dear Supporter,

Welcome to the new season and TWRFC in the London and South East Premier Division, previously known as London & SE National 3.

The new league brings a host of opportunities and challenges to the club, not least the increased costs of running and maintaining a bigger squad, coaches, support staff and the facilities that you enjoy as a supporter.

To help continue the club development and cover some of the costs of production and maintenance we are charging supporters £5 entrance fee, which includes your matchday programme full of useful updates and team news, a guaranteed VIP view of the match and we will be running a half time draw at most home games with a variety of prizes so listen out for the winning number - you could be a winner.

The £5 charge is per adult, so please bring your children (U18's) who will continue to be able to watch our fantastic games free of charge as we are very much a community club with youth integral to our future development.

We want to hear from you as well, so we will be running a 'supporters view' page in future issues - your chance to have your say on anything rugby (or not) with the best published on the web site and social media - email franciolangelo@me.com

Finally, if you want real value for money, why not join us for one of our pre-match lunches. Just £20 gets you a sumptuous meal, fantastic company, some great speakers (and jokes), programme and VIP place by the pitch.

We hope you enjoy the season, bring along your friends and COYW!

Good afternoon everyone.

Captains Corner

Hopefully you are all looking forward to today's match after a rest week, we certainly are!

We come back to St. Marks off the back of a great win against Sutton and Epsom away from home. We needed a win on the road and to win in the fashion we did, with 14 men for the last 15 minutes showed a lot about this team, typified by Tommy Collins stepping up to the mark and playing 70 minutes. Our defence won us that game and a special mention must go to our Kiwi, 'Bom Bom' who chopped all game as well as a game changing hit in the 2nd half. We can't talk about the game without mentioning the travelling support we received, the boys really appreciate it. Special mention to the Jim Mendley stag group. A great effort from all of you after a long week and to see Jim in a TJ's playing kit in the bar after the game was a truly sickening sight, well played lads.

The game moved us to 8th in the league on 17 points, 3 places above our visitors this afternoon Westcombe Park. This game is as close to a local derby as we will have this year which already adds to the excitement of the game. Westcombe park are veterans in this league and we know we will have to be on the top of our game to beat them.

Last week whilst the 1st XV were enjoying a week off, the 2nd XV beat Old Dartfordians 34-7. It's one of the best 2nd XV sides I've seen out at Tunbridge Wells in my time and hopefully the success will carry on under Jim and Mav. I hope everyone enjoys the game and please feel free to hang around afterwards for a TWRFC Poker Night social.

Enjoy the game. COYW

Peter "Pricey" Price
10th Nov 1953 - 26th Sept 2017

On Tuesday family and friends celebrated the life of Peter Price who sadly lost his battle with cancer last month. He would have loved to have been here today to see his 2 "clubs" pitch battle with each other.

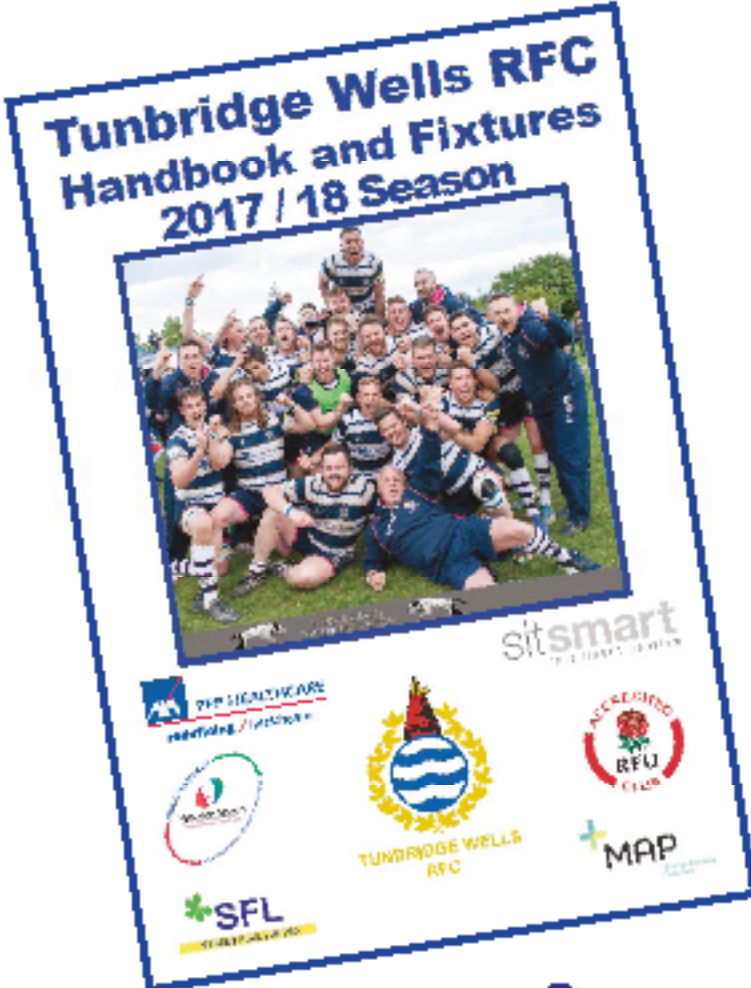

Lets hope the game and support for both sides does him proud as he watches from above!

The service on Tuesday was an amazing emotional tribute to the great man and the crematorium was full to the rafters as was our clubhouse afterwards. Tributes were spoken and songs were sung late into the afternoon.

He certainly looked on the bright side of life and our lives were definately brighter for knowing him! RIP Peter we will miss you x
